Benefits

The **MaineSaverGiveBackProgram** is a year round fundraising program free of charge, up to 500 cards. This is a very easy fundraising program for organizations; there is no selling involved! This continuous fundraiser allows members of your organization to receive great quality products and prices while giving back to the organization.

How much your Organization can earn.

This can be a very profitable fundraiser for qualifying organizations.

Take this example:

If you have 50 individuals shopping at MaineSource from your organization and they spend \$100 a month, that would equal \$60,000 a year spent. The biannual **GiveBack** to your organization would equal \$1,500. That is \$3,000 a year just for participants doing their normal grocery shopping!
